Terri,
We had fun this year in class
together and became good friends.
Remember those days in study
hall they were so boring. But
with you there they weren't so
bad. Hope to see you this summer
at Lons maybe. If you come up
to California, be sure to stop in
and see me.

Cindy Callahan
P.S. Take it
easy on legs!!

Terri

I wish I had you
in a class but I suppose
I will next year as big
Juniors. I think we've
got a pretty cool class!
Good Luck and have a
fun summer!

Cindy

Telli
 Have fun this
 summer and be
 good. Probably see you
 down at Ron's some-
 time if we ever get down
 there). Take it easy on those
 boys and have some fun. I hope
 Dr. Bigats has learned, then she can come up
 and get us. Boy then we'd have fun. Well I suppose
 I took up enough space. Be good, this summer, have
 fun. See ya Cindy Stark

Terrie

I enjoyed being with you in free hour.
 I wish I could have had free hour with
 you all year. Have a great summer and
 don't chase too many boys - save some
 for me

Hail

Terrie,
 Well I guess we'll
 see each other down
 at Ron's. We are
 definitely having fun
 this year. See ya,
 just me
 Ann

Terrie
 We sure had alot
 of good times this
 year and alot of
 bad times but it
 was fun.
 Cheryl

Terrie,
 Well, I guess this year is
 almost over. Next year we
 will be big juniors. It sure
 was fun at some of those dances
 at Ron's. Have to come down
 here this summer.
 Sharon

Terry,
 The bus is moving
 so this will be sloppy.
 Sorry! Good luck to
 you in your future years
 at school & elsewhere. It's
 been nice knowing you.
 Robert

Terrie Kubig

Terry,
Well I didn't
have any classes
with you this
year but I guess
science last year was
enough for you to handle
Hope to see you this summer
& good luck to a great girl

Be careful at Ron's too cause ya
Never know! We had a lot of fun the first
half of the year in the library during third
hour back in the back room. Remember the time
we all went in the bathroom and Mrs. Anderson
came in and gave us all hell I can still laugh
about that.

Terrie,
Well, we made it through English. I hope
your year was as good as mine. Hope we have
more classes together next year so I can get to know
you better. Have a wonderful summer and good-luck in
everything you ever do... Keep smiling Terrie and stay yourself!

SENIORS

In Memoriam

Shirley Elaine Halverson

This was Shirley as we all knew her: long, curly hair, pretty face, and long, beautiful fingernails. She always had a smile on her face and brought happiness and joy wherever she went. When things weren't going good she always came up with something to pull it through.

She was the kind of girl who said what she meant and felt. She always tried to be friendly with everyone.

She was a member of the High School Band and was also a member of the church choir and taught Sunday School.

Her death was God's will, and we too will meet her again, as God calls on us as he did Shirley, to live eternally with him where we will always be together.

Being a senior has meant many different things. Many hurdles have been overtaken by each of us, determined to enter a world different than we've ever seen and make ourselves everything we've ever dreamed of.

Senior year may have closed a chapter of our lives, but it also opened the pages to another challenging and more exciting time in the future.

In this book we look and laugh and sometimes even cry at the many memories, both joyous and tragic, across the faces of our friends. Remember at the end of freshman year it was . . . just think only three years left. As sopho-

mores it was two and as juniors going to Prom it was only one! One that for some may have taken too long to end. Others found it over before they could even think of saying good-bye, not only to their friends, but what about all those teachers? How could teachers become so important—such good friends to us.

Days are very short now, and our time at hand. So, friend, go out and right all the wrongs we've found in this world. For now it belongs to you, with all its happiness and pain, joy and sadness, security and fear.

"The Renaissance"

The 1972 Homecoming ended in success although many problems had to be dealt with. Because of inclement weather, the bonfire was held in the gym. Poor lighting forced the football players to Spring Grove. The game ended in a victory for the Warriors despite this change.

Bittersweet played at the dance on Saturday night. King Dean Wohlers and Queen Joni Wiebke led the grand march at 11:00. Even with all of the problems, the whole weekend was a total success.

Man Who Came To Dinner

On April 20 and 21 the class of 1973 presented their class production, written by Moss Hart and George S. Kaufman, "The Man Who Came to Dinner."

The story, which took place in the late 1930's, was set in the home of Mr. and Mrs. Ernest W. Stanley. The play provided viewers with humor and enjoyment. Every character displayed his own uniqueness and originality with help from co-directors Mrs. Sharon Ohl and Mrs. Mary Anderson.

Leading the all-star cast were Steven Erwin as Sheridan Whiteside and Rita Kosse as Maggie Cutler, his secretary.

"The Fantastiks", a fantastic musical, was performed by the Senior Class of '73 on November 16th and 17th.

The parable of love consisted of a boy, not quite grown up, (Steve Erwin) and his sweet 16 and just as ignorant girl-friend, (Sharon St. Mary). Next-door neighbors, they are separated by a wall put up by their mothers. (The wall was built so that the two would get together.) When it came time to tear it down an elaborate abduction was staged. The wall came down and it was called a "happy ending."

Following the sunrise, everybody became fed up with everybody else. Yet time passes and wounds heal and all learn that "without a hurt the heart is hollow".

Using Shakespeare's title, "A Midsummer Night's Dream", as their theme for the 1972 Spring Prom, the juniors worked to produce an unforgettable prom.

As the couples arrived, they entered the forest by passing over an enchanted bridge, draped in vines illuminated with lights. Murals formed the edge of the woods, and brightly painted mushrooms were scattered throughout the floor. Punch was served from flower carts by fairy princes and princesses, and music was played by Sunflower.

The climax of the evening was the coronation of the 1972 King and Queen. The 1971 Royalty, Mike Smerud and Dana Hayes, were present to enthrone the new couple, Greg Schultz and Sandy Oseth. The couples, filled with Shakespeare's magic, carried away with them, the beautiful memory of an enchanted evening.

Chorus Experiences New Director

The Caledonia Senior High School Concert Choir presents two concerts a year; in the spring and Christmas seasons. The choir performs music of all styles at these appearances, ranging from popular music to the music of the Renaissance. The Concert Choir also participates in the district and regional state music contests, where it has fared very well for the past several years, winning high ratings consistently. One highlight of the 1972-73 school year was a clinic-workshop with the Augustana College Choir of Sioux Falls, South Dakota.

Senior Choir member Sharon St. Mary was honored at the Luther College Dorian Festival by being selected as one of seven soloists to appear in the Dorian Festival Grand Concert. This honor earned Sharon the privilege of appearing in the "America's Youth In Concert" program sponsored by American Airlines, which presents annual concerts in Carnegie Hall in New York.

The Swing Choir performs at a variety of functions throughout the school year, including local service clubs, church groups, and even basketball game half time shows, in addition to school concerts. The Swing Choir rehearses outside of school time and sings music mainly in the popular style featuring several numbers with choreography. Members of the Swing Choir are chosen through auditions.

1972 and 1973 brought happy and sad times to the Caledonia bands and their directors, David Earp and Alex Vayer.

The summer of 1972 was filled with hard work and much fun. The Concert Marching Band drilled extensively throughout the summer on its marching techniques and on its field routines, and in return it marched at many parades, including the Aquatennial Parade in Minneapolis where it placed among the top bands. The band also performed a field routine at the State Fair. As a result, many new trophies were added to the band's collection.

Rehearsals for concerts and contests started with the beginning of the school year. Three events dominate the year, the Winter, Pops, and Spring Concerts. Practice for large group and solo and ensemble contests also keep the band busy.

Four of the Concert Band's members were chosen for the All State Band, Kris Ballard, Carol Eikens, Steve Erwin, and Jean Wiegrefe. This is the largest number of students from one school attending the All-State Band Camp.

The Senior High Stage Band also enjoyed an excellent season. The Stage Band visited the Wartburg College Jazz Festival where it was considered one of the best high school groups attending. In February 1973 the Stage Band performed before the Minnesota Music Educator's Association as one of the two clinic bands chosen.

Jazz Is Where It's at

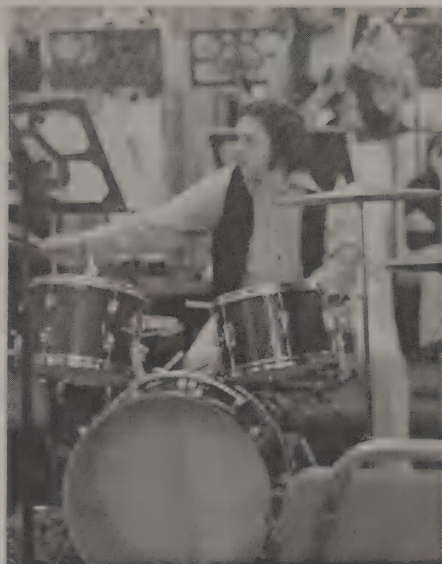

It is indeed fitting that the jazz idiom be studied in American high schools in that it is one of the few truly American art forms. In order to play jazz a student must study and understand in greater depth the basic fundamentals of the music he plays. A performer's knowledge must include chord progressions, theory, use of altered scales, form, theme and variations, melody, and rhythm. All of these elements and more must be understood before the performer can give vent of his creativity. To be inventive, individualistic, and creative, to "do your own thing" has brought about a great interest in jazz among the students and people in the community.

During the past year the jazz band has produced two albums, appeared in numerous festivals and concerts, performed at the Music Educators Convention, recorded a TV show for the Minnesota State High School League, and has been heard by literally millions of people. Letters and comments by music educators throughout the state attest to the fact that they are one of the finest performing groups in the state. The music the band performs is on the college level and extremely demanding.

It has been this director's pleasure to work with the finest group of musicians any school ever had.

the Band.

We should all take pride in our banner and flag carriers, majorettes and drill team. The banner carriers and majorettes identify our bands, and the drill teams also provide half time entertainment. The long hours of practice by the accessory personnel are reflected in the praise which they bring to our school.

Working daily during 5th hour and many hours until early March when the final pages go off to the printers are the four editors and their helpers. When they thought the work was done, they found that there was twice as much left to do. Pages to be planned, write-ups to do and pictures to be taken and always the proper trimming and finally the paste ups. Although the job required complete dedication, there were several days for leisure.

You may wonder why they do it. They don't get paid, but they get the personal satisfaction in seeing what they have created for their fellow students. So, before you consider complaining, remember, "A Yearbook is an awful lot of Trouble."

Smoke Signal Develops New Ideas

In June of '72, Greg Schultz and Pat McCormick, co-editors, attended a Journalism Workshop at the University of Iowa.

Because of the new ideas acquired, the Smoke Signal has developed in several ways.

Everything from the content to the layout to the headings were altered. As a result, the Smoke Signal has developed into a magazine-style periodical with feature writing, editorials, and plenty of pictures provided.

Offset printing was used to publish the paper. Negatives of the layout were made. The production was done in the Audio-Visual room.

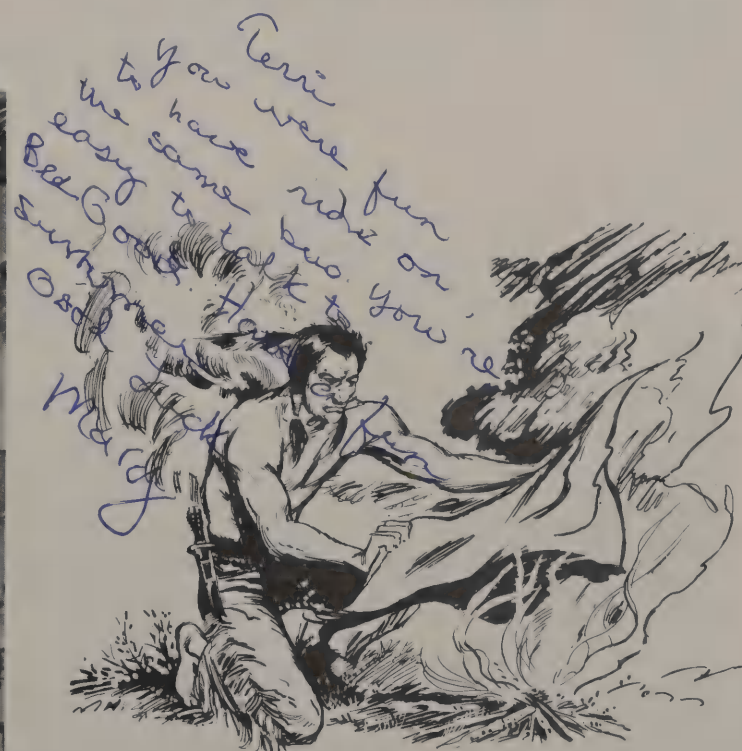

Usually about 1100 copies were made an issue. The Smoke Signal was circulated in the community as well as in the junior and senior high.

Toward New Horizons is the motto of the Caledonia Chapter of the Future Homemakers of America. Members all strived to achieve this goal through monthly meetings and outside projects. Some of these projects were Christmas caroling, Daddy date night, helping with the ARC party, and bowling parties. Members may also attend District and State meetings where they see skits, vote for new officers, and make new friends, which is what FHA is all about.

Twenty-Two Advance to Sub-District

Speech is an activity open to all students in junior and senior high school and obviously interests many of them. About seventy-five students participate each spring in the local contest for the chance to advance into the sub-district

and beyond. Of the four who took part in the regional contest, Connie Gerdes was selected as a state entrant in the category of serious interpretation.

Debaters Rank High in District

Resolved: That governmental financial support for all public elementary and secondary education in the United States should be provided exclusively by the Federal government.

This was the high school debate topic throughout the country for 1972-73. The debaters participated in debate tournaments at Winona State College and at the Christmas tournament at Winona High School. They are undefeated in the Root River Conference, and also in District I. At the Region I contest held at Rochester, February fifth, the affirmative team—Larry Janikowski and James Graf—defeated a Preston team while the negative team—Carl Simons and Scott Schroeder—defeated an Albert Lea team.

Girl's and Boy's State —A Worthwhile Experience

Steve Erwin and Lee Drogemuller participated in Boy's State last June. This worthwhile experience took place at St. Johns University at Collegeville, Minnesota.

As Caledonia's Girl Stater, Mary Burg traveled to St. Paul for a weeks stay at St. Catherine's College. Over 400 girls from all over the state attended.

Girl's and Boy's State is carried on annually by the American Legion. This program stresses Americanism. Its purpose is to give young men and women actual experiences in the way local and state government is run. This experience is to create interest and desire to practice sound government in our everyday lives.

High Quiz Bowl

Again this year the Caledonia High Quiz Bowl Team appeared on WKBT's High Quiz Bowl. Coached by Mrs. Mary Anderson this years team members were Doug Wiegrefe, Jean Wiegrefe, Carol Eikens, and Lee Drogemuller. Jim Dibley and Steve Erwin were this years alternates. The team

traveled to LaCrosse and was defeated by a spirited Winona Team. Winona had a strong team as they retired as a champion. After the hard fight, the team was more than disappointed, but next year they will return again to take part in another battle.

Kevin Welch Goes To State Science Fair

The 1972 State Science Fair and Research Paper Program was held April 6, 7, and 8 at the Pick-Nicollet Hotel in Minneapolis.

On Thursday April 6, events included registration for all participants, setting up of projects, tours to nearby business industries, and evaluation of research papers.

On Friday April 7, judging of entries was concluded. A general assembly was held with speakers in various fields of work giving excellent talks. Exhibits were open for general public viewing. An Awards Banquet concluded the day.

On Saturday, the closing day, exhibits once again were open to the public. A second Awards Banquet was held at noon. The exhibits were then dismantled and everyone checked out.

The National Honor Society

This spring, Caledonia High School again added new members to the National Honor Society. Along with the eight seniors that became members last year, twenty-two juniors and seniors were added to the group. These members are nominated by the faculty and must have four qualities—

character, leadership, service, and scholarship. Each member is given a membership card and a gold National Honor Society pin. This spring a banquet will be held to initiate the new members. We give our hearty congratulations to this fine group.

GRA Completes

With Miss Barto and Mrs. Peterson as the advisors, the G.R.A.s have completed another year of activities. Miss Barto initiated a new program this year. In this program the Junior High G.R.A. members were awarded a certain number of points for participating in a particular activity for a given length of time. This activity could be done at a G.R.A. activity meeting or at home. Those with the most points at the end of the year were awarded prizes. The Senior High G.R.A. also had a fulfilling year. They enjoyed activity meetings, a Christmas party, Mother-Daughter night, and a host of other activities.

The Spanish Club kept themselves busy this past year with many parties. They had a party for every occasion plus many other meetings. Preparing for these parties is fun and a lot of work. Pinatas are always made and a variety of Spanish treats prepared.

Gymnastics Team Placed First in Home Meet

The Girls' Gymnastics team has come a long way since its start four years ago. The total number of members for 1972-73 was 30, which will undoubtedly strengthen their power in years to come.

The girls participated in one home meet on October 30 with LaCrescent, Mabel, and Houston. They placed first at

home but lost their District title by placing third behind LaCrescent and Mabel at the November 4 meet held at LaCrescent.

With this year's purchase of new uneven-parallel bars, Caledonia now owns all the regulation pieces of equipment and next fall will host the next District Gymnastics meet.

"Caledonia Hats Off To Thee . . ."

With a bright smile and lots of spirit the cheerleaders led the enthusiastic student body in many cheers throughout the year at pep fests, games, and meets.

Cheerleading is more than what meets the eye of the spectator at a game or meet. It is many hours of after school practice and the planning of the pep fests. It is working hard on a money-making project, sitting in the hall to sell tickets to away games, and making an original poster to hang up in the hall.

Mat Maids Work Behind the Scenes to Promote Wrestling

In its second year of existence, the Mat Maids grew in size as well as importance. Those girls who dared to sign up didn't know what they were getting into at first, but the many duties they perform make them feel that they are contributing to a very important cause.

Besides printing posters and selling mat squares at every home wrestling meet, these girls experienced a taste of scoring, time-keeping, and running at all home wrestling tournaments.

Under a newly-adopted constitution, officers were elected for the first time. They are: Sandy Oseth—President; Linda Peter—Vice President; Ann Beneke—Secretary; Ann Augedahl—Sergeant at Arms. Next year, Linda Peter will automatically become the new president.

They deserve a special thanks for the many long hours they put in to help the wrestling coaches and managers to make every meet and tournament a success.

Lettermen Receive Awards

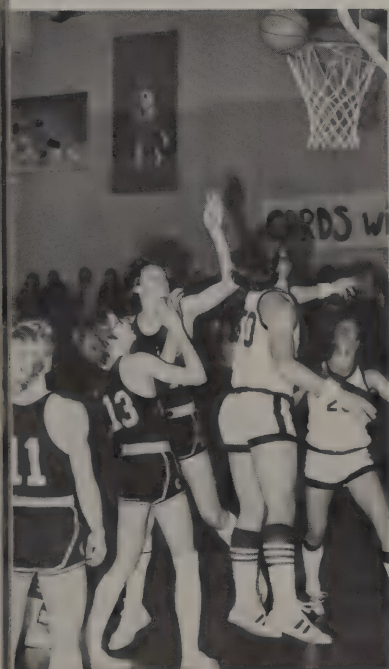

The Letterman's Club, under the direction of Mr. Percuoco, is an active part of the sports program at C. H. S. Along with inspiring good sportsmanship in the athletes connected with it and those that are not, it organizes banquets throughout the year for the different sports. It also helps in raising money to buy new equipment for the school.

ATHLETICS

Closing out the season with a 7-2 record, the Warriors finished third in the Root River Conference. Leading the team in total yards rushing was Bob Link, who will be returning to the squad next year.

The Warriors placed four players on the Root River all-conference team. Tony Denstad, Bob Link, Steve Schieber, and Dean Wohlers received these honors, while Greg Moe and Roger Holland received honorable mention awards.

Placing on the All-Coulee Region team was Bob Link on the first team and Tony Denstad on the second team. Dean Wohlers was chosen most valuable warrior, while being honorable mention All-Coulee.

The Warriors will be looking forward to the 1973 season with a considerably large number of experienced Sophomores and Juniors returning.

Cross Country

With high hopes for a fifth consecutive Cross Country title, our hopes were withered with injuries to two of the top three runners; Jeff Rostvold and Tim Colleran. Yet, in spite of all setbacks, Nick Burg won a fourth place individual title and the team placed third in the District. With the knowledge and experience gained from this years' Seniors, caledonia should produce a fine team next year in the underclassmen.

Track Team Sends 9 Members To Regional Meet

With only three senior pointgetters among Caledonia's thinclads during 1972, the outlook for 1973 is very good.

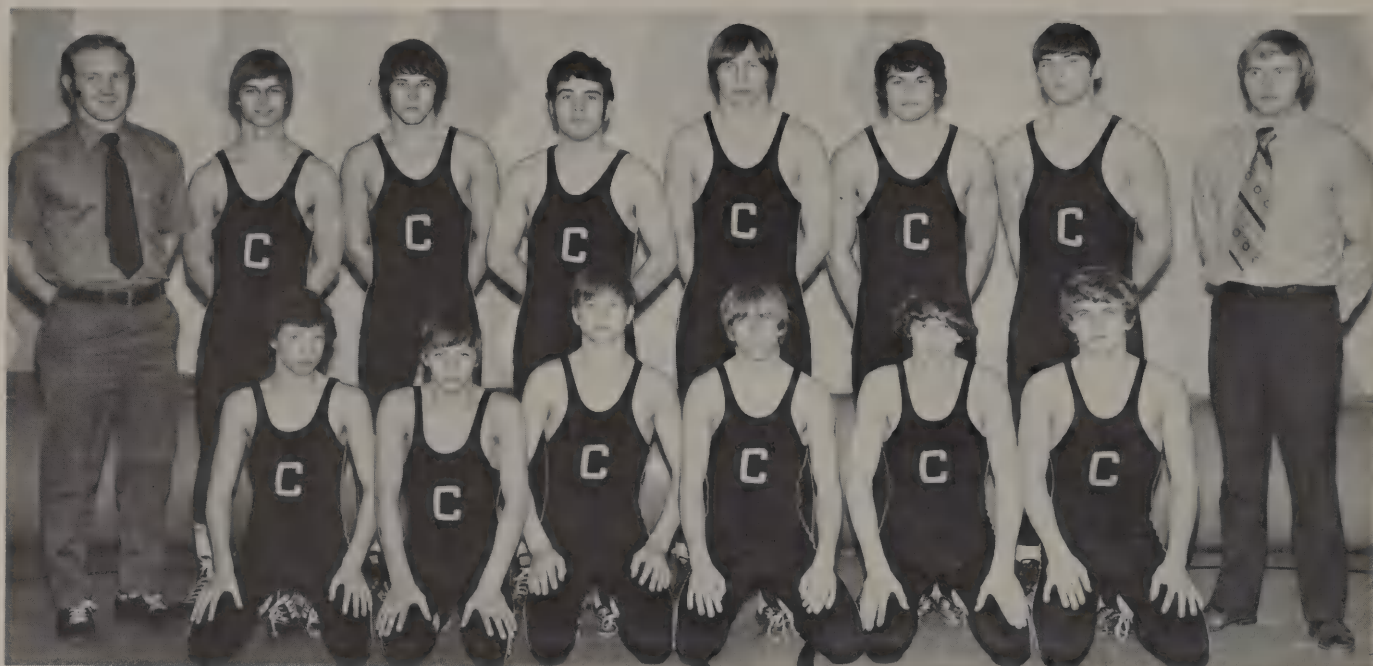

One of the top runners was George Von Arx who broke his own two-mile record. The 880 relay team also broke the old school record with Mike Garness' quick start off the blocks.

Nine team members went to regional competition. They were George Von Arx, Jeff Rostvold, Tim Colleran, Dick McManimon, Fred Kruckow, Mike Carness, Bob Link, Mark Schroeder, and Paul Richards.

Wrestlers Still Hold State Record at 75 Wins

First in District, Third in Region, and Wohlers,
Schellschmidt, and Link Go on to State

Thanks to head coach Leo Simon, assistant coach Ron Moen, and the determination of a fine team, the Warrior matmen still hold the state record for the most consecutive dual meet wins at 75.

The Warrior grapplers finished second in the Winona invitational behind a strong East Waterloo team. Coming last in the four team tournament at Cresco wasn't to any of coach Simon's liking. That meant hard work, and it proved well when the Warriors won their own tournament with 7 individual champions.

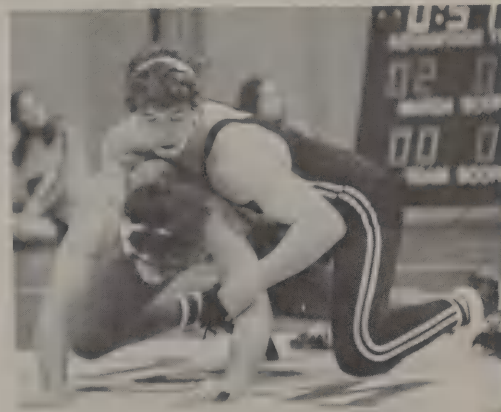

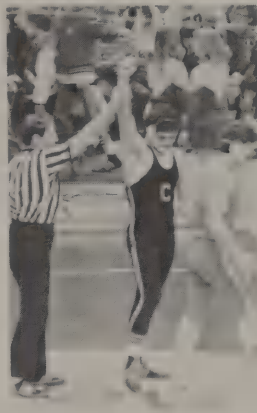

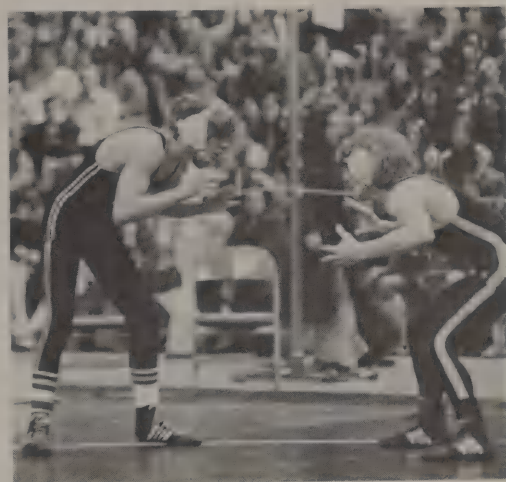

The sixth consecutive district championship for Cal- edonia was a hard battle against LaCrescent and was led up to the last match to determine district champs. The team went to the regional tournament with 10 wrestlers and ended up in third place, with three going on to state.

This years graduating wrestlers are: Fred Ross, district champ at 98; Jeff Rostvold, fourth in region at 119; Dean Wohlers, regional champ at 132; Craig Rollins, at 145; Arnold Heimerdinger, at 155; and Tony Denstad, at 167.

Next years fine returning lettermen are: Tim Link, Pete Drogemuller, third in district at 105; Tom Danielson, Bob Schoh, fourth in region at 112; Steve Rohrer, third in district at 126; Roger Holland; Mike McCarthy, third in district at 155; Greg Moe, second in district at 167; Bob Link, fourth in state at 180; and Steve Schellschmidt, sixth in state at heavy weight.

Warriors End Season with Victory

Keeping it's starting five and with the addition of several outstanding B-team members, next year's Warrior team should prove to be a challenge.

While rebounding seemed to be the downfall of this year's Warrior cagers, the steadily improving skills of Mark Koenig and the probable addition of Tim Schieber to the front line should have that problem resolved.

Even though Caledonia had trouble in the beginning of the season, the last few games proved to be challenging ones for their opponents. Even with the loss of seniors Nick Burg, Dick McManimon, and Steve Schieber, next year may well be the banner year Caledonia has been waiting for in basketball.

District, Third in Conference

*Jerry I
didn't have more
classes with you. I
always have to be
late. Love

Caledonia finished a regular season's play and found themselves third in the Root River Conference, behind LaCrescent and Rushford. Posting an 8 and 4 record, the Warriors went into District 1 play behind the strong hitting of Mark Lange, Tom Stark and seven other players, a thunderous bench, and fine coaching of Bob Stark. The Warriors took four straight games and the District 1 title.

Traveling to Red Wing for the Regional tournament, The Warriors lost their first and only game against Lake City. The strong Lake City team then finished third in the State tournament play and was the only team to score against the first place Richfield team.

The determination of John Conway and the coolness of Gary Birke-land pulled the Warriors out of many scrapes in the pitching department. With the hitting of Mark Lange, .551, and the razzel dazzel of Tom Stark and Dave Brown on the bases, the Warriors overpowered many strong opponents.

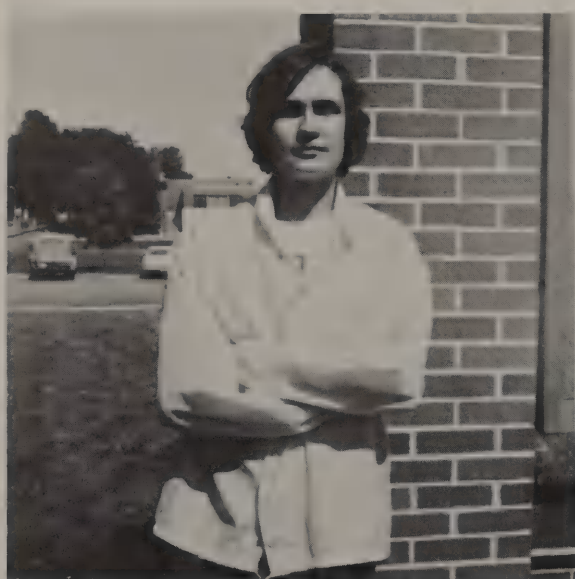

The Warriors, behind the fielding abilities of Dean Wohlers, Doug Wiegrefe's batting, and Kris Ballard and Dave Otterson's clutch hitting in tournaments, should be a strong contender in the Root River and District competition next year.

Boy's Golf—Row 1: P. Wagner, D. Johnson, C. Lee, P. Wagner, S. Schmitz, G. Danaher, C. Simons. Row 2: Coach Huff, A. Krueger, D. Nelson, J. Rostvold, L. Janikowski, M. Stadtler.

Golfers Place Second in Conference

Charles Lee 1972 District 1 Medalist

The "72" Warrior golfers finished with a 5-5 dual meet record. However, the Warriors finished second in the conference behind Rushford. The Warriors went on to the district meet at the Ferndale Country Club in Rushford, where they placed second, only five strokes behind Rushford. The team was led by its number 1 man, Charles Lee, who got a 33 his first round, which was 3 under par, and in pouring rain finished his second round with a 39. This gave him a 72 even par, which earned him the medalist honors for the meet.

The Caledonia Warriors look forward to next year with several promising golfers returning. They are Ardy Krueger, Jay Rostvold, Paul Wagner, Pete Wagner, Mike Stadtler, Steve Schmitz, Larry Janikowski, Bob Johnson, Dan Nelson, and Carl Simons.

Our Faculty

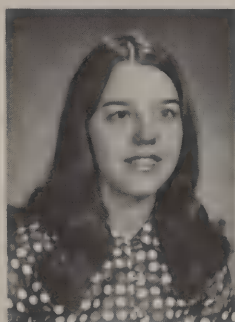

There are very few people that realize the responsibility that the faculty and administration have in running and teaching a school. These people help with molding and shaping the students who will one day be sent to solve the problems of the world. The Board of Education has tried to construct a system which is progressive, educational, and built on the interests of the youth of Caledonia.

Classes this year, taught by the fifty members of our Senior and Junior High faculty, ranged from Child Development to Boys Home Economics and from Economics to Agriculture.

In October several teachers attended a session of the Minnesota Educational Association. In January the faculty sponsored a record hop at which they held drawings for records and albums that the students had picked out themselves.

CHS has concerned teachers. In each special department the man or woman preparing the classes is ready to bring their knowledge to us, so that when we no longer have their aid, their counsel, and their experience, we'll be ready for the kind of life they've helped us pick.

Teachers head practically every club or team in school, and this accounts for the wide range of extra curricular activities at C.H.S. After school ends health teachers turn into coaches for both boy's and girl's sports. There are newspapers to get edited and speeches to be made. English teachers have developed strong Drama and Debate Teams, and the endless list of clubs like G.R.A., F.F.A., F.H.A., Spanish Club and Mat Maids gets longer every year.

Juniors Have Eventful Year

A Junior year at CHS is more than just an education. It is a year of excitement, emotions, and experiences which will never be forgotten.

... the feeling of competition as you build a homecoming float your class can be proud of.

... the enthusiasm at pep fest which almost never fails to win the tomahawk.

... wondering why your class ring hasn't come, what it will look like.

... working at the stand during a game and constantly sampling the popcorn.

... finally, planning and decorating for the Junior Prom, which is always a special night.

These are all moments which become only memories as Juniors quickly mature into seniors, ready to begin their final year of high school.

10th Grade

The tenth graders enjoyed their first year as a student in the senior high at CHS. As senior high students they were given more privileges and enjoyed a wider range of activities.

Those that survived geometry and biology without too much difficulty are looking forward to another year of struggle in algebra and chemistry with some possible regrets for registering for them in the first place.

At the end of the year the sophomores have much to be proud of as they begin their last two years at CHS.

Freshmen Take Part in Many Activities

The ninth graders kept themselves busy with studies but still found time to take part in many extracurricular activities.

Mr. Van Den Boom's science class concocted some smelly and sometimes almost explosive potions in their experiments.

The ninth graders had to work hard when trying to understand how our governments work and when trying to learn their spelling words every Friday five minutes before they had to take the test.

As their freshman year comes to an end the freshmen look forward to starting senior high the next fall.

8th Grade

The second year at CHS is completed and the eighth graders are a year closer to reaching their goal in life. At the close of the eighth grade the students can look back on the year with satisfaction as well as remorse. As ninth graders they will no longer have to brave the cold or rainy weather to get to Loretto, but Loretto still holds many fond memories that will live on for many years. If only they had worked a little harder on those math packages so that they could begin the ninth grade doing algebra instead of struggling to finish the eighth grade book. All in all, next year proves to be an exciting and challenging one for the eighth graders.

Seventh Graders Experience Change

Why doesn't this stupid locker open? They must have given me the wrong combination. Maybe if I give it one good . . . there it finally opened. One of the many problems that confront almost all seventh graders as they try to adjust to student life at CHS is trying to get their locker to open.

Just as they were getting to the right room at the right time with the right book, and were able to get to Loretto without getting lost, the seventh graders had to struggle to build their first homecoming float.

Here it is the end of the long year and their many problems are over and they are hoping that their eighth grade will go a little better.

Terri,
It was fun having
you in my history and
English classes. Begged this
summer and don't go to too
many dances in Iowa. Good
luck to you in what ever
you do.

 Have a fun summer,
 and don't get into
 too much trouble.
 Just think next
 year we'll be
 Juniors! Wow!
 Lots of luck in
 what ever you
 do. Rita

Terrie!
 We all just think
 you did't have fun
 we didn't together. Right.
 Have fun & write me
 about it every on the
 bus. How many
 friends
 had fun and summer
 long.

Terry,

The year's almost over
and then only two left.
You're really cute & sweet
and you have beautiful
hair, don't ever cut it.
I like that picture of
you in the year book.
Well, take it easy & be good!

Terry,
Haven't seen much
of you this year. Hope
to see more next year.
Have a fun summer. Debbie

Perri

I hope you have a lot of
fun this, and take it easy
on the road this summer
when you get your license.
Hope to see you
this ~~next~~ summer
and next year
in at least 1 or 2
classes.

Have a fun summer

Terrile,
We sure raised a
lot of hell when we
were in school.
But it was fun.
Hope I see you down
at Ford this summer
at all the dances.

Terry, high
we only got 2 years left
of this @ school. I
think you're really cute +
nice person and you got a
lot going for you so make
the most of your summer and
your life. take it easy.

LOVE
ROSE
